02 An inspiring pioneer

Reggiani is always looking for ways to innovate products and elevate experiences. It's a bold, forward-thinking leader in lighting technology and manufacturing

03 A trusted expert

Reggiani culminates its deeply-rooted knowledge, a purposeful design ethos, international industry experience and family heritage to convey expertise across all its assets and channels

Reggiani

Established in 1957, Reggiani is now an International benchmark in the lighting industry, a community of lighting experts that provides its customers with cutting-edge technological solutions with an open, collaborative and problem solving approach. The constant development of innovative products and the expertise gained in over 50 years of activity in the field has outlined an increasingly open exchange with the world of lighting designers and architects, with whom Reggiani has established a relationship funded on sharing ideas and best practices and to whom Reggiani provides solutions and support to meet any creative requirement. Reggiani has a widespread distribution in 80 Countries worldwide and its offices in Italy, USA, UK, China, France and Russia cover an area of 110,000 m², including areas devoted to production, offices, showrooms and warehouses.

Fondata nel 1957, Reggiani è oggi un punto di riferimento internazionale nel settore illuminotecnico, una comunità di esperti di illuminazione che fornisce ai propri clienti soluzioni tecnologiche all'avanguardia con un approccio aperto, collaborativo e di problem solving. La costante proposta di prodotti innovativi e l'expertise acquisita negli oltre 50 anni di attività ha delineato un confronto sempre più aperto con il mondo dei lighting designer, degli architetti e dei progettisti, con i quali Reggiani ha stabilito un rapporto di condivisione e ai quali offre soluzioni e supporto per rispondere a ogni esigenza progettuale. Reggiani ha una distribuzione capillare in 80 paesi del mondo e le sue sedi in Italia, USA, UK, Cina, Francia e Russia coprono un'area di 110.000 m² tra aree dedicate alla produzione, uffici, showroom e magazzini.
