Reggiani
NORTH AMERICA

Reggiani is a global brand with Italian design particularly suited for hotels and hospitality. We offer lighting solutions that are high quality, functional, and affordable.

The product line includes a wide range of applications, including recessed lighting, track solutions, pendants, surface mounted fixtures, and wall sconces that provide functional architectural lighting with a high end aesthetic.

These products have a remarkable longevity, and they are very easy to maintain which makes Reggiani perfect for these applications

Why are Reggiani products well suited for hotels?

- Warm dimming options
- Luxury finishes
- Competitive pricing
- Global brand for consistency around the world
- Products with good longevity
- Products easy to maintain
