Traceline

Traceline

EN Traceline has reinvented linear lighting by using the latest technology to deliver the most flexible system ever created. Traceline can be Deep Recessed, Recessed, Surface, Pendant or Deep Pendant mounted with the ability also to insert Yori 48V products. Built-in wireless controls and a variety of finishes and optical options.

IT Traceline ha reinventato l'illuminazione lineare utilizzando le più avanzate tecnologie per offrire il sistema di illuminazione lineare più flessibile mai creato. Traceline è un sistema di illuminazione lineare disponibile nella versione Deep Recessed, Recessed, Surface, Pendant e Deep Pendant - con la possibilità di inserire i prodotti a basso voltaggio Yori 48V. Il sistema offre controlli wireless integrati e una varietà di finiture e opzioni ottiche.

UGR Trasversal <10
UGR Axial <10

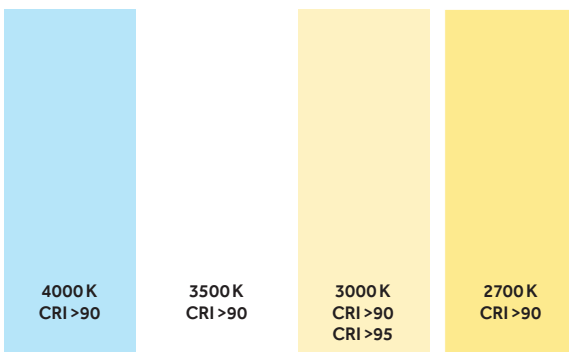

LED

EN Traceline offers excellent performances thanks to the integration of latest generation light sources. The range includes Mid Power LEDs, with performance up to 170lm/w, High output and Mid output versions, options with high CRI > 95 and dynamic-white versions: Warm Dimming 1800-2700K and Tunable White 2200-6500K.

IT Traceline offre performance eccellenti grazie all'integrazione di sorgenti luminose di ultima generazione. La gamma proposta include LED Mid Power con performance fino a 170lm/w, versioni High output e Mid output, opzioni con CRI elevato >95 e versioni con bianco dinamico: Warm Dimming 1800-2700K e Tunable White 2200-6500K.

MID POWER LED

20

EN Different solutions with Mid Power LED:
IT Differenti soluzioni con LED Mid Power:

- 224 LED/m, 150 lm/w (Opal, Micro Prismatic, Dark Grid, PMMA Lens 11°/48°)
- 112 LED/m, 170 lm/W (Dark Performance)
- Warm Dimming, Tunable White (Opal)
- LED tape IP20 CRI>95 and IP65 CRI>90. (Fade)

EN Wide range of LED temperatures:

- from 4000 K to 2700K with CRI>90 and 3000K options with CRI>95.
- Step Mc Adam < 3 and L80 B50: 50.000h
- Version with Opal diffuser (High output and Mid output) to meet different lighting needs.

IT Ampia gamma di temperature LED:

- da 4000 K a 2700K con CRI>90 e opzioni a 3000K con CRI>95.
- Step Mc Adam < 3 e L80 B50: 50.000h
- Versione con diffusore Opal (High output e Mid output) per rispondere ad esigenze di illuminamento differenti.

EN The Dark Performance optical version is available with HCL LED (CRI > 95) - 3000K (on request for other CCTs). Thanks to an excellent color rendering and TM30 values of Rg = 90 and Rf = 100 it allows the use of Traceline also in commercial and residential applications where a very high CRI value is required.

IT La versione ottica Dark Performance è disponibile con LED HC (CRI > 95) - 3000K (a richiesta per altri CCT). Con un'eccellente resa cromatica e valori TM30 di Rg=90 e Rf=100 permette l'utilizzo di Traceline anche in applicazioni commerciali e residenziali dove viene richiesto un valore di CRI molto elevato.

Continuous line

EN Traceline is available in single modules or in a continuous line configuration. The continuous option has been designed to offer the flexibility to create graphic light patterns and emphasize architectural lines. The continuous configuration can carry on adding other Power and Continuous modules without no limitations.

IT Traceline è disponibile in moduli singoli o nella configurazione in linea continua. La linea continua è stata progettata per offrire la flessibilità necessaria per creare pattern grafici luminosi e valorizzare linee e volumi architettonici. Nella configurazione in linea continua puoi aggiungere moduli Power e Continuous senza limitazioni.

Traceline Pendant (max 12m)

Configuration example: 3x Traceline Recessed - Dark Performance (3000 mm)

Traceline Track 48V

NEW

EN Traceline Track 48V is the latest addition to the Traceline family. We integrated a 48V track inside a Traceline module, to give you the possibility to add any Yori 48V spotlight, linear or suspension. You can easily combine Traceline Track 48V with the rest of the Traceline System to create endless lighting lines in a seamless manner: a new kind of flexibility.

IT Traceline Track 48V è l'ultima aggiunta alla famiglia Traceline. Abbiamo integrato un binario 48V all'interno di un modulo Traceline, per darti la possibilità di aggiungere proiettori, lineari o sospensioni 48V alla tua configurazione. Puoi combinare Traceline Track 48V con il resto del sistema Traceline per creare linee di illuminazione infinite senza soluzione di continuità: il massimo della flessibilità.

Applications:

Modules:

* Pendant and Deep Pendant versions available on request

What can you fit in?

^{EN} Completa la tua configurazione aggiungendo Yori Evo 48V system: spot, lineare o sospensione.

^{IT} Complete your lighting scheme adding Yori Evo 48V system: spotlight, linear or suspension.

Traceline

^{EN} Integrating accent lighting into your ambient lighting has never been easier. Traceline Track 48V, in the Deep Pendant version, has both direct and indirect lighting: you can freely add spotlights or suspensions any time, creating a unique combination of diffused and accent lighting.

^{IT} Integrare l'illuminazione d'accento in un progetto con luce d'ambiente non è mai stato così facile. Traceline Track 48V, nella versione Deep Pendant, presenta infatti luce sia diretta che indiretta: puoi aggiungere liberamente spot o sospensioni in qualsiasi momento, creando una combinazione unica di luce diffusa e d'accento.

INDIRECT LIGHT

^{EN} Opal diffuser and LED source (Tunable White and Warm Dimming versions available) for indirect light
^{IT} Diffusore Opal e sorgente LED (opzioni Tunable White e Warm Dimming disponibili) per luce indiretta.

DIRECT LIGHT

^{EN} Opal, Microprismatic or Dark frosted diffuser and LED source (Tunable White and Warm Dimming versions available) for direct light
^{IT} Diffusore Opal, Microprismatico o Dark Frosted e sorgente LED (opzioni Tunable White e Warm Dimming disponibili) per luce diretta.

INTEGRATED 48V TRACK

^{EN} An integrated low voltage track to carry Yori 48V (Spot or pendant).
^{IT} Binario 48V integrato nel profilo per ospitare i prodotti Yori 48V (Spot e pendant).

Fade: complete your lighting scheme

EN Minimalism and understatement encompassed in just 22,5 mm and 12 mm height: Fade offers the flexibility of a unique small profile with different combinations of LED Tapes and three different diffusers. A series of mounting accessories allows the integration in any architecture, display or furnishing detail.

IT Minimalismo e understatement racchiusi in soli 22,5 mm di larghezza e 12 mm di altezza: Fade offre la flessibilità di un profilo dalle dimensioni estremamente ridotte con diverse combinazioni di tape LED e tre diversi diffusori. Una serie di accessori di montaggio consente l'integrazione in qualsiasi architettura, vetrina o dettaglio d'arredo.
